ANNUAL REPORT 2021-2022

Allied Health Sciences was started in the year 2004 with just 20 students and one programme with a motive of giving the best education and training in the field of Allied health sciences. Now it has grown enormously not only in student strength but also in terms of its quality and dynamicity. We at AHS are dedicated to make our students excel in academic and life skills, the most needed in this fast changing world. The infra structure, clinical exposure, hands on training, up gradation of techniques and teaching methodologies are the key to outstanding performances by our students. Now we are stepping into the 18th successful year with 14 Under Graduate courses, 11 Post Graduate courses, and 3 Diploma courses.
